THE FASTSERV SOLUTION

FastServ is a leading distributor of maintenance, repair and operations products. Having served the industrial, manufacturing and automotive industries since 1978, we firmly believe that by combining the right products, state-of-the-art logistics and unmatched industry expertise, FastServ is able to adapt to the specific needs of your business and create unconditional value.

FastServ customers define value in their own terms. FastServ's commitment is to gain a complete understanding of those terms and translate that into a totally integrated and successful MRO solution. Simply put...the FastServ solution is an extension of your business.

Delivering on Productivity & Efficiency

The cornerstone of FastServ is our commitment to service. Our locally owned franchise sales force ensures the ultimate customer satisfaction by providing the hands-on service your janitorial and MRO products require. We measure our success by the success of our customers, making us your partner in business rather than simply another supplier.

Quality

We stand behind the products we sell and offer the industry's highest quality chemicals and MRO products from names you know and trust. Combined with an industry-leading product satisfaction guarantee, you can rest assured that a FastServ solution has your best interests in mind.

Product Variety

Our extensive product range allows for simple, consolidated shipments and billing. With access to more than a million products, FastServ truly is your single source hospitality supplier and solution.

Customized Solutions

We understand that one size does not fit all. With a FastServ solution, our franchisees are able to develop a janitorial solution that is as unique as your business. From on-site supply room stock programs to cost recovery technology solutions, our no-nonsense approach to business will tailor-fit a solution that increases your company's productivity while eliminating costly stockouts and down-time.

STANDING OUT IN THE CROWD

How is FastServ Different

Our People

Experienced, knowledgeable and committed to the industry.

Inventory

We have what you need, when you need it. More than 65,000 stocked janitorial MRO products in four automated distribution centers. In addition, FastServ franchisees have access to more than 1,000,000 additional products and supplies through our network of national suppliers.

Commitment

We are committed to the industry, our customers and to providing the answers and solutions to your daily requirements. We are partners in your business.
